Reviewed Studies

1. Hardware implementation of memristor-based artificial neural networks

Full Citation: F Aguirre, A Sebastian, M Le Gallo, W Song... (2024). Hardware implementation of memristor-based artificial neural networks. *extitNature* <https://doi.org/N/A>

Study Details

- **Authors:** F Aguirre, A Sebastian, M Le Gallo, W Song...
- **Year:** 2024
- **Journal:** *Nature* ...
- **DOI:** [N/A](https://doi.org/N/A)
- **Citation Count:** 531 (Google Scholar)
- **Access:** [Semantic Scholar](#)

Abstract: ... still very far from real full-hardware implementations of all the mathematical operations required ... step-by-step description of the hardware implementation of memristive ANNs for image ...

2. A lightweight convolutional neural network hardware implementation for wearable heart rate anomaly detection

Full Citation: M Gu, Y Zhang, Y Wen, G Ai, H Zhang, P Wang... (2023). A lightweight convolutional neural network hardware implementation for wearable heart rate anomaly detection. *extitComputers in Biology* <https://doi.org/N/A>

Study Details

- **Authors:** M Gu, Y Zhang, Y Wen, G Ai, H Zhang, P Wang...
- **Year:** 2023

- **Journal:** Computers in Biology ...
- **DOI:** [N/A](#)
- **Citation Count:** 64 (Google Scholar)
- **Access:** [Semantic Scholar](#)

Abstract: ... hardware implementation and reduces hardware resource consumption than most existing models. The designed hardware circuit ... The hardware architecture offers high accuracy with a ...

3. Hardware implementation of Ascon

Full Citation: A Kandi, A Bakshi, T Gerlich, S Guilley, P Gan... (2023). Hardware implementation of Ascon. extitNIST Lightweight <https://doi.org/N/A>

Study Details

- **Authors:** A Kandi, A Bakshi, T Gerlich, S Guilley, P Gan...
- **Year:** 2023
- **Journal:** NIST Lightweight ...
- **DOI:** [N/A](#)
- **Citation Count:** 19 (Google Scholar)
- **Access:** [Semantic Scholar](#)

Abstract: ... In this work, we present various hardware implementation for ... On top the usual (unprotected) implementation, we present ... show ASIC and FPGA benchmarks for our implementations. ...

4. A comprehensive survey and analysis of traffic sign recognition systems with hardware implementation

Full Citation: N Triki, M Karray, M Ksantini (2024). A comprehensive survey and analysis of traffic sign recognition systems with hardware implementation. extitIEEE Access. <https://doi.org/N/A>

Study Details

- **Authors:** N Triki, M Karray, M Ksantini
- **Year:** 2024
- **Journal:** IEEE Access
- **DOI:** [N/A](#)
- **Citation Count:** 19 (Google Scholar)
- **Access:** [Semantic Scholar](#)

Abstract: ... an extensive hardware implementations analysis of TSR systems. In fact, various hardware platforms such as Raspberry Pi and Nvidia Nano Jetson are employed to implement and ...

5. Multimodal chaotification model with hardware implementation

Full Citation: Z Zhang, H Zhu, P Ban, Y Wang... (2024). Multimodal chaotification model with hardware implementation. extitIEEE Transactions on <https://doi.org/N/A>

Study Details

- **Authors:** Z Zhang, H Zhu, P Ban, Y Wang...
- **Year:** 2024
- **Journal:** IEEE Transactions on ...
- **DOI:** [N/A](#)
- **Citation Count:** 10 (Google Scholar)
- **Access:** [Semantic Scholar](#)

Abstract: ... The experimental results show that our chaotic maps can be implemented on hardware devices and their implementations have consistency on software and hardware platforms. ...
